Disclosure Statement

I HAVE NO RELATIONSHIPS AND NO CONFLICT OF INTEREST TO DISCLOSE

In which country do you work?

What are we going to do?

- World Café
- 4 statements about Interprofessional education surrounding medication safety
- Enablers & Barriers for each statement
- During round 2,3 & 4 the moderator will give you a short summary of what has been said during the previous rounds so you can build upon this information

Statement subjects

- Implementation
- Logistics
- Urgency
- Study outcomes

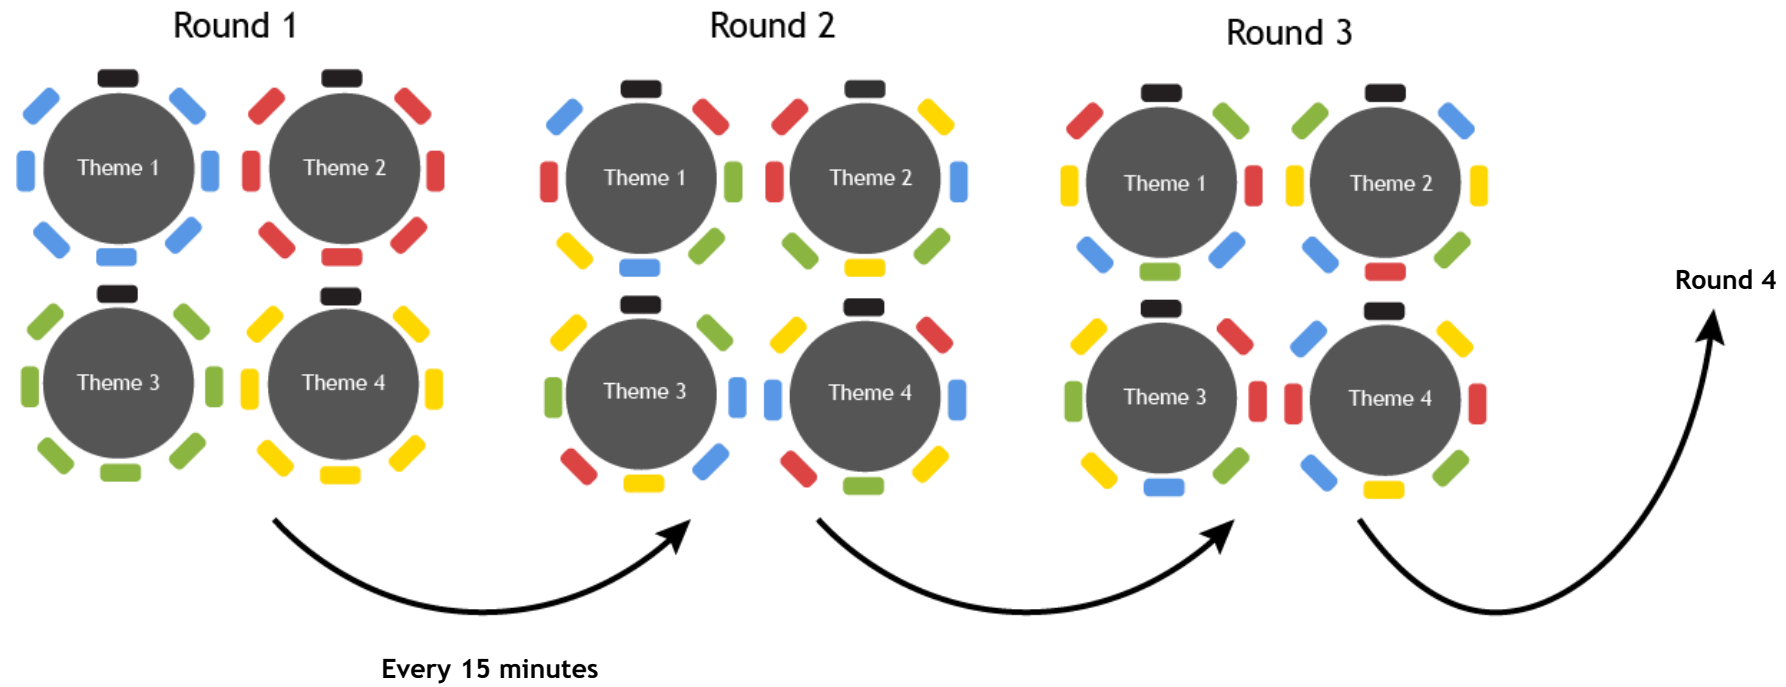

Research

- Scientific paper about the cross-cultural and international differences surrounding medication safety
- Participation is voluntary & possibility to be study collaborator
- Post-it notes & notes
- Your information will be fully anonymized and untraceable

What is a World Café?

General rules

- Maximum of 6 participants per table
- Every participant will participate at each table once
- There is a change of the group composition after each round
- It's not about the correctness of the statements, but about the barriers and enablers you can think of for those statements
 - Also consider your own social environment and culture in your answers

Time allocation

10:30 - 10:40 Introduction

10:40 - 10:55 Round 1

10:55 - 11:10 Round 2

11:10 - 11:25 Round 3
